Important legal information

Past performance is no guarantee of future performance. Performance data does not include commission and fees charged at the time of subscribing to or redeeming shares. NAVs relating to dates on which shares are not issued or redeemed ("non-trading NAVs") may be published here. They can only be used for statistical performance measurements and calculations or commission calculations and cannot under any circumstances be used as a basis for subscription or redemption orders. International fund management entails investments denominated in different currencies. Changes in the exchange rate may have a negative impact on the value or price of securities. The value of investments may go down as well as up. Investors may not recover their entire initial investment upon selling. Risk factors are listed in the fund's prospectus and it is not the intention to reproduce them in full in this document.
